

As a sign of your hospitality and appreciation , Canis Lupus wold enjoy...

- Coffee. Some of us prefer a little milk with the coffee. STONG coffee and please, no decaf!
- Meals for band members and crew. In total, no more then nine people at the most.
- Some beers, snacks and water. If the local water is clean and fresh, we would prefer that instead of bottled water.
- A nice place to sleep (no floors) until the next morning.

And...

- Breakfast in the morning. Bread, butter, cheese, serials, milk and... Coffee, with the same preferences as above.

Thank you <3
